

“Dear Santa: Define Good”

The Boss Lady and Office Staff at Bennett/Porter & Associates think I’ve been good, honest they do, Santa. In fact, here’s what I’m doing for the 12 Days of Christmas:

Twelve times a-barking

Eleven holes a-digging

Ten shoes a-chewing

Nine times a-growling

Eight times a-jumping

Seven times a-begging

Six squirrels a-chasing

Five tails a-wagging

Four muddy paw prints

Three tummy rubbings

Two fleas a-gnawing

One ear a-scratching

And a tennis ball to fetch for me. 🐾

All of us at Bennett/Porter would like to wish you Happy Holidays and would like to take this opportunity to wish you health, happiness and prosperity in the New Year.
