Molalla River Mollie is an 8 year old Yellow Labrador Retriever (named after a river because all of our dogs, including Mollie's grandfather, have been named after Oregon rivers). Mollie started coming to the office with me when she was only 8 weeks old, and posed for her first picture ("Sherlock Bones") when she was 5 months old. We dress Mollie in costumes, and send "Mollie cards" to our clients and business associates to announce End User Conferences, special events, and new product offerings. I've been to several non-Bennett/Porter conferences where someone has said "You have the office dog that you dress up in costumes, right?!" Yep – that's us!

People who don't know Mollie have commented about how wrong it is to put costumes on her. But Mollie truly doesn't mind me dressing her up and taking her picture and the sessions are always a lot of fun for both of us. She's had hundreds of pictures taken in her life, and her only challenge is hats. She ducks her head when a hat is put on her head as noted by the "Mollie Gobbler" picture taken for last year's calendar.

This year, Mollie's costumes were all sewn specifically for her by my aunt, Martie Smith, who is obviously a fabulous seamstress, although I'm pretty sure she hasn't fitted a dog for clothes before. And Aunt Martie figured out a way for Mollie to keep her head up even when she's wearing something on her head, as she is in several of this year's pictures. Thank you, Aunt Martie!

Mollie is truly a very special dog and I am so very lucky to have her in my life.

--The Boss Lady
