Bennett/Porter 2008 Fall End User Conference

for MAS 90 • MAS 200

Tuesday, November 4 • Lloyd Center DoubleTree Inn • 7:30 a.m. until 1:30 p.m

If all of this election stuff is too confusing for you, come to the Bennett/Porter 2008 Fall End User Conference where the answers are a lot clearer. We'll have sessions including Document Management, KnowledgeSync, Level 4 Workshops, Tips and Tricks, Customer Relationship Management, DC Warehouse Automation -- all designed to help with your day to day MAS 90 • MAS 200 life. Our luncheon this year will include the chance to talk to other end users in small "user groups", and our Conference will conclude after that lunch -- around 1:30 or so. Just like voting, we need you to register ahead of time. Unlike voting, you can't use a mail in ballot for the conference, and you'll need to cast your opinion in person! So, please register today and join us!
