

Sage 100 ERP Version 2013 Integrated Solutions Compatibility Matrix Revised as of June 3, 2015

The Integrated Solutions Compatibility Matrix is intended to cover all information as of June 3, 2015, regarding all Integrated Solutions compatibility with Sage 100 ERP version 2013. Any version not listed should be assumed *incompatible*. If your configuration is not listed, Sage Customer Support cannot provide support for you. All hardware and system requirements must meet or exceed the minimum requirements as indicated in the [Sage 100 ERP Supported Platform Matrix](#). Only additional requirements are listed in this matrix.

Note: It is critical that before and during an installation, this document be thoroughly reviewed, along with the *Sage 100 ERP Installation and System Administrator's Guide* and other documents found on the [How to Install Sage 100 ERP and Locate Installation and Upgrade Information](#) knowledgebase article. To access this webpage, please log into Sage Support Portal at <https://support.na.sage.com/>

Throughout this document, other companies' Web sites are referenced; the content on those sites can change at any time. Sage has no control over, and cannot be responsible for the content of other companies' Web sites.

Note:

- Please check for and apply any available Sage product updates from the Sage Support Web site at: <https://support.na.sage.com/>. For more information, consult your Sage business partner.
- Integrated product version compatibility indicated in this document does not necessarily imply that the integrated product vendor supports noncurrent versions. Refer to the integrated product vendors' Web site for specific information on supported versions.
- Regarding support for integrated product 64-bit operating system and Microsoft operating system compatibility, consult the integrated product vendor's Web site for the most current information.
- Sage 100 ERP version 2013 phone and web case **support (retirement) end date September 30, 2016**. For more information, see Supported Versions document located here, <https://partners.sagenorthamerica.com/irj/go/km/docs/sageKM/Sage%20MAS%2090%20and%20200/Assets/Sage%20100%20ERP%20Supported%20Versions.pdf>
